## Overview

I am so glad you decided to sign up for this workshop. We are going to have a lot of fun. This Sunday, we will be making personalized flags that can be hung up in your home, or somewhere outside! Alternative methods to materials will be discussed below.

## Materials to Gather (and alternatives)

1. Old sheets / pillowcases / old shirts (*could be any color, though lighter colors like white, works best*)
2. A needle and thread / iron-on fabric adhesive / super glue / fabric glue
3. Acrylic paint / craft paint OR markers / sharpies if you do not have paint
4. A pencil with an eraser
5. Twine / rope / string / sticks from outside
6. Empty boxes of cereal / thinner cardboard / thicker paper
7. Scissors / box cutter
8. Sponge / paint brushes
9. Newspaper
10. Cutting board (*optional*)
11. Hair dryer (*optional*)

## Pre-workshop to-do's

1. What size would you like your flags to be? The flags I made above were sized at 7"x11". **Cut** out or rip your sheets to the desired size. **Iron** them before the workshop so that you are working on a flat surface.
2. Look into some symbols / silhouettes / animals / plants you'd like to use for your flags. Print them out if you can.
3. [Register for the workshop on Zoom](#) if you have not already.
4. Tell your friends! Let's make this a party.

## Day of the Workshop

### 1. Sign into the video call by 12:55pm

- a. You will be in the “waiting room” until I come on!
- b. You can also give this a try before the day of the workshop just to make sure it’s working right.

### 3. Get yourself a snack to keep nearby while you work

**Call, Text or Email me if you have questions! I'm so excited for this.**
